

## - Escaping the city –

# This is a really awesome deal!

## Discover the Northern Black Forest in a green and clean way!

Take the chance to escape the city with the unique opportunity to drive an **electric car** and immerse yourself into the **Northern Black Forest**. Tourismus GmbH Nördlicher Schwarzwald, which – together with its partners - has been certified as **sustainable travel destination** for Europe in 2016 by the Ministry of Justice, has designed an attractive adventure package consisting of **one overnight stay, two days of electric driving fun** as well as three exciting **discovery vouchers**.

You have the choice either to spend the night in a **3\*\*\* country hotel** or in a **4\*\*\*\* spa hotel including breakfast**. Furthermore you can select a voucher for one person leading you to the **Treetop Path of the Black Forest**. You can admire the heights of the tree tops from the 40 m high observation platform from which you will **enjoy a magnificent panoramic view over the pine and spruce trees**. Alternatively, you may choose a voucher for one person to visit the **spectacular Gasometer in Pforzheim** containing the world's largest 360° Panorama Image on canvas created by the artist Yadegar Asisi.

The team of Tourismus GmbH Nördlicher Schwarzwald would like to wish you an **unforgettable escape** from the **city right into the beautiful nature** of the Northern Black Forest. Have fun while **driving silently, environmentally-friendly** and pollution-free through the **multifaceted valleys and heights** that our region has to offer. **They are waiting for you to be discovered!**

**Two days of urban escape is not enough for you? Then you can easily book some additional extra nights!**

## INCLUDED SERVICES:

- 2 days electric car driving pleasure including personal instruction
- Either one night at a 3 \*\*\* country hotel for 99.00 €\* or at a 4 \*\*\*\* spa hotel for 129.00 € including breakfast
- Selection of one of the following vouchers:  
 1 voucher for the Treetop Path Bad Wildbad  
 1 voucher for the Gasometer Pforzheim

## Our city escape offer:

Book an **electric car for two days** with an **overnight stay including breakfast and admission voucher** for the Treetop Path or for the Asisi Gasometer in Pforzheim starting from 99.00 EUR\* and experience two exciting days in the Northern Black Forest!

\*The price is valid for one night in a double room residing at a 3 \*\*\* country hotel (incl. breakfast) per person and also includes a voucher for the Treetop Path or the Asisi Gasometer in Pforzheim as well as the rent for the electric car for a period of 2 days. If you prefer a 4 \*\*\*\* spa hotel, the offer is also valid starting from 129.00 €.

**For any further questions, please give us a call!**

## - Escaping the city –

### And that's how easy it is to charge the electric car!

Of course, we also offer you the possibility to charge your electric car while on the road. In the Northern Black Forest there is already quite a number of electric filling stations provided by the local energy supplier ENCW.

Attached please find an overview!

You will be provided with an ENCW charging card which you can use to activate the charging process at all ENCW charging poles. All the necessary information can be found at the charging poles. The electric filling process is free for you! Please make sure to charge the vehicle on time. With the quick charging function, you will have 80% of the battery power available within an hour. Please refer to the information provided in the manual of our electric car.

The team of Tourismus GmbH Nördlicher Schwarzwald wishes you lots of fun driving silently and pollution-free through the beautiful valleys and heights that our region offers you.

#### SERVICE STATIONS – PLEASE NOTE

Should you like to extend your driving pleasure outside our region, you will find your nearest electric filling station on the following websites::

[www.goingelectric.de/stromtankstellen/](http://www.goingelectric.de/stromtankstellen/)

<https://e-tankstellen-finder.com/at/de/elektrotankstellen>

**Let's get started sustainably and have fun!**
